Forecast for Monday 23 Nov 2020

Weather: Dry with some clear spells overnight allowing for some frost to form. A mainly cloudy day with a few bright or sunny spells, cloud will mainly be quite high level so good visibility generally. Becoming duller towards dusk with a few spots of rain possible with southerly winds picking up too.

Chance of cloud free mountain/hill tops above 600m: 90% of cloud free tops during the morning, cloud beginning to lower to 500m base over more westerly tops later in the day.

Visibility: Very good or excellent with good views around the Brecon Beacons, becoming moderate around dusk in the west.
